Words from PRINCIPAL'S DESK

At NRPS, we believe that a student's life is a tapestry of challenges and opportunities. It's a journey filled with twists and turns, where they must cultivate the skills necessary for self-sustenance. Our approach to education is a unique blend of rich Indian traditions and values, seamlessly integrated with cutting-edge modern technology. This fusion empowers our students to not just succeed but to excel.

We take immense pride in providing quality education that nurtures not only academic excellence but also physical fitness, psychological well-being, spiritual growth, a sense of social responsibility, and environmental consciousness. We foster a deep appreciation for our Indian heritage and culture, which, in turn, creates open-minded individuals who respect diverse cultures from around the world.

Our dedicated staff plays a pivotal role in shaping our students, but we also acknowledge the vital role parents play. Together, we instill core values such as respect, persistence, patience, kindness, generosity, and mentorship in these young minds.

It is both a privilege and a profound responsibility, and we sincerely thank you for your support and dedication to your child's educational journey.

Innovative School of the Year Award

With jubilant hearts, we are delighted to unveil extraordinary news that ignites the very core of our pride and elation. New Rainbow Public School now proudly bears the prestigious Certificate of Excellence in the illustrious **"Innovative School of the Year"** category, bestowed upon us by the esteemed ScooNews Global Education Award 2023.

This crowning achievement was lauded and celebrated during the grandeur-laden awards gala on August 12th, 2023, hosted in Jaipur.

ATULYA 2023

An Interschool Competition

"The future belongs to those who believe in the beauty of their dreams."

In a vibrant showcase of talent and unity, New Rainbow Public School proudly hosted its annual extravaganza - *Atulya 2023*, spanning the remarkable days of August 18 and 19, 2023. More than a mere competition, *Atulya 2023* acted as a magnetic force, drawing together over 250 brilliant young minds from 20 prestigious institutions, resonating with their shared commitment to excellence. Over two enthralling days, the event unfurled a tapestry of 20 diverse competitions, seamlessly integrating online and offline arenas. This dynamic platform provided students with the canvas to unveil their exceptional talents and boundless creativity. On the second day, the stage brimmed with the energy of participation in 10 captivating events.

Among the impressive list of participating schools were Modern School Vaishali, Everest School, Nehru World School, DPS Sidharth Vihar, JKG International School Vijay Nagar, JKG International School, Indrapuram Public School, CH. Chhabil Dass, Vanasthali Public School, Dehradun Public School, DAV Public School, Chinmaya Vidyalaya, St. Thomas School, Amity International School, and Maharaja Agrasen Public School. This collective endeavour truly exemplified the spirit of collaboration and shared aspirations, culminating in a jubilation of collective dreams.

As *Atulya 2023* moves forward, it sets the stage for the journey ahead, stoking the flames of inspiration and the quest for brilliance. The memories forged and lessons learned during these two days will serve as a guiding light for participants, reminding them of their capability to drive positive change. The felicitation of winners with trophies and certificates was the crowning touch to this captivating showcase of collaborative effort.

SCIENCE EXHIBITION

"Science is a way of thinking much more than it is a body of knowledge." - Carl Sagan

New Rainbow School organized a highly anticipated and awe-inspiring Science Exhibition called the 'Future Innovators Expo' on 28th July 2023. This event was a celebration of the brilliant scientific minds within our school, showcasing the students' creativity, innovation, and problem-solving skills. The entire school community was abuzz with excitement as students from all grades prepared diligently to present their working models on various thought-provoking themes. The young minds shone bright, showcasing brilliance across themes like 'Advancement in Information and Communication Technology,' 'Maths Around us', 'Health and Cleanliness,' 'Transport and Innovation,' 'Environmental Concerns,' and 'Historical Development with Current Innovation.'

Parents, teachers, and guests from the community were astounded by the students' creativity and ability to think critically and out-of-the-box. The exhibition fostered an environment of learning and inspiration, leaving a lasting impact on all attendees. Science exhibition was an outstanding event that left everyone in awe of the incredible potential of our students. Their passion for science and technology, coupled with their dedication to finding solutions for a better tomorrow, leaves us hopeful and excited about the future. Principal ma'am lauded the students' efforts, inspiring ambition and reminding them of their boundless potential. She expressed her confidence that these young minds will continue to be the torchbearers of innovation, making positive contributions to society and leaving an indelible mark in the field of science and technology.

CBSE TRAINING

"Training is the fuel that ignites the flame of knowledge, transforming potential into expertise, and ordinary into extraordinary."

On 5th August 2023, New Rainbow Public School successfully hosted a training session on the topic of "Learning Outcomes and Pedagogies," in collaboration with the Central Board of Secondary Education. The program commenced with ceremonial lamp lighting by Principal Ma'am and Director Ma'am, along with the resource persons. The aim of the session was to empower educators with the latest insights and strategies to enhance learning outcomes and improve teaching practices in the classroom. The resource persons for the training were highly esteemed professionals in the field of education: Dr. Manisha Sharma and Mrs. Surjeet Khanna. Dr. Manisha Sharma, an expert in educational psychology and curriculum development, provided valuable insights into designing effective learning outcomes that align with the developmental needs of the students.

The training session was a highly informative and beneficial event for educators. The school's commitment to providing professional development opportunities to its teachers is commendable and reflects their dedication to fostering excellence in education. The knowledge gained from the training will undoubtedly lead to improved teaching practices and better learning outcomes for the students in the days to come. The event proved to be a great success, as the teachers left with newfound knowledge and inspiration to create an enriched learning environment in their classrooms and contribute to the overall growth of the students.

MAGIC SHOW BY RED CROSS SOCIETY

New Rainbow Public School, in line with its commitment to fostering values, entertainment, and education, organized a mesmerizing magic show on September 5, 2023. The event was tailored for students from grades 4 to 8 and was a resounding success.

The magic show was a collaborative effort with the Red Cross Society. The renowned motivational magician and thinker, Mr. VK Samrat, led this amazing show. Mr. Samrat's performance was captivating and filled with enchanting tricks that left the audience spellbound. Beyond entertainment, the magic show served as a medium to provide mental nourishment to the students. It conveyed valuable lessons on critical social issues such as "Beti Bachao Beti Padhao," national unity, patriotism, environmental conservation, tree planting, cleanliness campaigns, and the harmful effects of tobacco and other addictive substances. Furthermore, it aimed to dispel superstitions and promote scientific thinking among the youth.

The magic show not only entertained the students but also left them with valuable life lessons and a heightened sense of social responsibility. It was a significant step toward holistic education and awareness-building among the youth.

RAKHI TRIBUTE TO SOLDIERS

In a truly heart-warming display of appreciation for the dedicated souls guarding our national borders, the students of New Rainbow Public School have crafted an extraordinary Rakshabandhan celebration. Drawing inspiration from the impactful initiative of Dainik Jagran's Bharat Raksha Parv team, these students have wholeheartedly embraced the task of expressing gratitude and solidarity to our soldiers through meticulously crafted, handcrafted rakhis. On the significant date of August 24, 2023, these rakhis were entrusted into the hands of Dainik Jagran's representatives in a ceremony attended by the school's Principal and esteemed teachers. Their presence added weight to this compassionate gesture, as they acknowledged and applauded the students for their profound act of kindness.

The students' dedication and care were evident in the intricately designed rakhis, each one bearing a unique fusion of colours and heartfelt messages. These rakhis, beyond being charming tokens, stand as tangible symbols of the students' heartfelt appreciation and acknowledgment of the soldiers' unwavering commitment. Amidst the ceremony, the school's Principal took a moment to express her immense pride in the students' initiative. She emphasized the potent message carried by these rakhis – a reminder to the soldiers that they hold a special place in the hearts of the nation's youth. The Principal reiterated the value of nurturing empathy and admiration for the soldiers, highlighting their pivotal role in safeguarding the nation's borders and upholding its safety and sovereignty.

INDEPENDENCE DAY CELEBRATION

"Ask not what your country can do for you; ask what you can do for your country." - John F. Kennedy

New Rainbow Public School celebrated the 77th Independence Day with immense patriotic fervour. The event exuded the spirit of freedom, unity, and patriotism that resonated among all participants. The celebration began with a solemn and dignified flag hoisting ceremony. The tricolour was raised by the esteemed Principal Ma'am and Director Ma'am, symbolizing the sacrifices of our freedom fighters and our deep-rooted pride in our nation. Following the flag hoisting, a march-past was conducted by the students, showcasing their discipline and respect for our country. The students' remarkable talents took centre stage through a variety of performances. Patriotic songs, patriotic dances, touching poems, and inspiring speeches deeply touched the audience, evoking a profound sense of pride and patriotism. The captivating patriotic dance performance enthralled everyone, vividly portraying the unity and diversity that define India.

At the culmination of the event, Principal Ma'am addressed the audience, reiterating the significance of the day and emphasizing the responsibilities that come with freedom. She acknowledged the sacrifices of our forefathers and motivated the students to contribute positively to the nation's progress. The celebration truly encapsulated the essence of India and its on-going journey towards growth and prosperity.

KRISHNA JANMASHTAMI CELEBRATION

Janmashtami, a festival that not only stirs our souls but also illuminates our spirits by reminding us of the divine presence of Lord Krishna and his blessings on Earth, was celebrated with immense zeal and religious fervor at NRPS on September 6, 2023.

The day commenced with a special morning assembly where students shared insightful information about this auspicious festival. The charming young students, dressed as Radha and Krishna, added a traditional touch to the festivities. Their melodious prayers resonated through the air, filling the atmosphere with devotion.

The junior wing students crafted a mesmerizing 'Dahi Handi' breaking event, a joyful game symbolic of Krishna's birth during Janmashtami. This age-old celebration brought immense joy and merriment to all who joined in. Additionally, the senior students of class IX and XI presented a skit portraying various important incidents in Lord Krishna's life. In essence, this Janmashtami celebration not only showcased our cultural richness but also allowed young minds to immerse themselves in the profound teachings and stories of Lord Krishna.

YOUTH THINKER'S CONVOCATION 2.0

New Rainbow Public School is elated to announce the active participation of its students in the prestigious event, Youth Thinkers Convocation 2.0, held at Uttam School for Girls from August 22nd to August 24th, 2023. Over the course of three days, our students showcased their exceptional talents and enthusiastically engaged in workshops, discussions, and competitions. This convocation not only enriched their understanding of diverse subjects but also facilitated valuable interactions with peers from different schools. We are thrilled to share that our students' efforts bore fruit as they achieved remarkable success on August 24th. Team led by Adiba secured the First Prize, a testament to their dedication and innovative thinking. Om Kumar's team earned the Second Prize, validating their commitment and significant contribution. Divya's team was honoured with the Third Prize, reflecting their insightful input and valuable participation. These achievements underscore the immense potential and hard work of our students. Heartfelt congratulations to all the participants for their impressive accomplishments.

ऊर्जा के संस्कार

कहानी से मिली मां की तरह ही अनमोल धरोहर पृथ्वी का ध्यान रखने की सीख

जैसा कि सभी जानते हैं कि कहानों का बहुत उत्सर्जन एक वैश्विक समस्या के रूप में उभरकर आया है। पृथ्वी एक अनमोल धरोहर है। हमारी जीवन शैली में होने वाले बदलाव और अस्वच्छताओं के बावजूद इसे सुरक्षित बनाना हमारा दायित्व है। इसमें हमारे कर्बन उन्मूलन के प्रति प्रयासों की महत्वपूर्ण भूमिका होती है। जिनका बुरा असर पर्यावरण पर पड़ता है। आंकड़े बताते हैं कि ग्लोबल वार्मिंग के लिए 80 प्रतिशत कर्बन एवं क्लोरोफ्लोरो कार्बन को कारक माना गया है। जो 20 शिखर सम्मेलन में भी पर्यावरण के बचाव एवं सुधार के लिए कर्बन उत्सर्जन को कम करने पर सभी राष्ट्राध्यक्ष एकमत दिखे। इसके लिए एक छोटी इकाई से लेकर वैश्विक पटल तक निम्न बिंदुओं पर विचार किया जा सकता है।

- पब्लिक परिवहन का प्रयोग किया जा सकता है।
- समान कार्यालय में कार्यरत लोगों द्वारा अलग-अलग वाहन का प्रयोग न कर एक वाहन का प्रयोग कर कर्बन उत्सर्जन कम किया जा सकता है।
- कचरे का सुनियोजित तरीके से निस्तारण किया जा सकता है।
- सुनियोजित तरीके से एसी का प्रयोग किया जा सकता है।
- कर्बन उत्सर्जन को नियंत्रण करने के लिए कार्यक्रमों के तहत अधिक से अधिक पौधारोपण किया जा सकता है।
- अधिक से अधिक पर्यावरण के अनुकूल ऊर्जा के स्रोतों जैसे सौर ऊर्जा, पवन ऊर्जा आदि विकल्पों के उपयोग पर विचार किया जा सकता है।
- इसके अलावा वैश्विक रूप से सभी राष्ट्रों की एक समिति बनाई जा सकती है जो इसे नियंत्रण करने के लिए नई दिशा प्रदान करें। इस तरह से पृथ्वी की सुरक्षा के लिए कर्बन प्रदूषण को कम करने के तरीकों को अमल में लाकर सही तरीके से उपयोग करना होगा। हमें अपने विद्युतीकरण व ऊर्जा के उपयोग को सावधानी से करना होगा। वनस्पति को बचाने व पेड़-पौधों को बढ़ावा देने का काम हमारा है। हमारी जिम्मेदारी है कि प्राकृतिक संसाधनों का सही तरीके से उपयोग कर प्रदूषण कम करने में सहायक करें। सभी को समझना होगा कि इंसान की गतिविधियां पर्यावरण को कैसे प्रभावित करती हैं व कितनी महत्वपूर्ण हैं। जिससे आने वाले पीढ़ियां इस अनमोल धरोहर का लाभ उठा सकें। दैनिक जागरण की संस्कारशाला में बृहस्पतिवार के अंक में प्रकाशित कहानी अच्छे कर्मों का दायित्व में कर्बन फुटप्रिंट के दुष्परिणाम को बहुत अच्छी तरह से समझाया गया है। इससे बच्चों के साथ बड़ों को भी सीख लेने की जरूरत है। वही कहानी के अंत में बच्चा आशुप कहता है कि पृथ्वी का ख्याल मां की तरह रखेंगे, इसे अपने जीवन में अपना लेना चाहिए।
