### Reflections from Principal's Desk

**Ex-Director**  
Late Mr. Atul Agarwal

Dear Students, Parents, and Educators,

With the beginning of the academic session 2026 –27, I warmly welcome all our students back to school and extend a special greeting to the new members joining the NRPS family. A new session marks the start of new journeys, fresh goals, and countless possibilities. At NRPS, our commitment is to create a supportive and engaging learning environment where students can excel academically while also developing strong values and life skills. We aim to shape confident, creative, and responsible individuals who are ready to face the future with determination and positivity.

In the coming year, we will continue to embrace innovative teaching practices that encourage curiosity, critical thinking, and teamwork. Along with academic learning, equal importance will be given to character building, discipline, and overall personality development.

Let us move forward together with enthusiasm, dedication, and a spirit of excellence. May this academic year bring success, growth, and happiness to each one of you.

## Celebrating Excellence in Education

### Shiksha Bharti Award - NRPS Achieves Prestigious Recognitions for Excellence and Future-Ready Education

New Rainbow Public School, Ghaziabad proudly celebrates significant milestones that reflect its commitment to holistic development and future-ready education. The school has been honoured with the prestigious Shiksha Bharati Award 2026 by CSR Times in the category of Holistic Development. The award was conferred at the National Summit 2026 on Viksit Bharat@2047: Through Comprehensive Socio-Economic Development” held at Le Meridien, New Delhi. This esteemed recognition was presented by Ira Singhal, IAS, and Sunil Shastri, adding great pride to the occasion. The award was received by Mrs. Ruchi Gupta, Principal, on behalf of the entire NRPS family.

Adding to this achievement, Mrs. Ruchi Gupta was felicitated at the prestigious Future-Ready Schools Leadership Meet held at IIT Delhi. Organised by ABL Education, this exclusive platform brought together visionary educators to discuss innovative approaches in education aligned with Vision 2047, focusing on the integration of technology, robotics, and AI in learning.

## Harmony in Motion: A Spectacular Kinderdance Show at NRPS

"Great dancers are not great because of their technique, they are great because of their passion." — Martha Graham

New Rainbow Public School recently came alive with energy and rhythm as it hosted a mesmerizing Kinderdance Show on March 14, 2026. The event showcased the incredible talent of pre-primary students, blending movement, music, and creativity in an enchanting display of dance.

This special program was organized in collaboration with Kinderdance, a globally renowned company from the USA that integrates dance, motor skills, music, fitness, gymnastics, and yoga into early childhood education. The school's auditorium transformed into a vibrant stage, where young performers—dressed in dazzling, colorful costumes—delighted the audience with a seamless fusion of contemporary and classical dance forms. Their enthusiasm and grace left an unforgettable impression, making the event a true celebration of rhythm and self-expression.

The ceremony began with the traditional lighting of the lamp by the school's Director and Principal, marking the commencement of an unforgettable journey into the world of movement and artistry. The performances highlighted the importance of incorporating physical activity and creative expression into early education, fostering essential life skills such as confidence, coordination, and teamwork.

Principal Mrs. Ruchi Gupta applauded the young dancers and their dedicated mentors, commending their hard work and passion. She emphasized how such initiatives play a crucial role in shaping a child's overall development, reinforcing NRPS's commitment to holistic education.

The Kinderdance Show was more than just an event—it was a joyous celebration of learning through movement, leaving everyone inspired and eager for more.

## Graduation Ceremony at New Rainbow Public School

New Rainbow Public School (NRPS) organized a Graduation Ceremony to honour the students of Classes I to IX and XI. The event was conducted to recognize the academic achievements and hard work of the students during the academic session.

The programme began with the ceremonial lighting of the lamp by the school Director, Mrs. Munish Agarwal, the Principal, Mrs. Ruchi Gupta, and the respected parents present at the event. Following the inauguration, students who performed exceptionally well during the academic session 2025–26 were felicitated. The deserving students were awarded trophies along with certificates in recognition of their dedication and achievements.

On this special occasion, Ayush Kumar, who successfully cleared NEET, was also honoured with the Atul Memorial Scholarship of Rs 21,000 in recognition of his remarkable achievement.

While addressing the gathering during the closing of the ceremony, Principal ma congratulated the students and appreciated their hard work throughout the academic year. She stated that such events encourage students to continue striving for excellence and motivate them to achieve greater success in the future. She also acknowledged the constant support of parents, emphasizing that their role is crucial in the success and overall development of children.

The ceremony concluded on a positive and inspiring note, with students feeling motivated to work harder and reach new milestones in their academic journey.

## Republic Day Celebration

“Freedom in Mind, Faith in Words, Pride in Our Hearts, Memories in Our Soul”

New Rainbow Public School celebrated Republic Day on 26 January 2026 with great patriotic fervour, paying tribute to the brave martyrs whose sacrifices gifted us freedom and constitutional rights. The significance of the day was highlighted as a reminder of the adoption of the Indian Constitution on 26 January 1950.

The celebration began with the Honourable Director Ma'am and Respected Principal Ma'am unfurling the National Flag, followed by the soulful rendition of the National Anthem, creating an atmosphere of pride and unity. Students participated enthusiastically in well-planned activities, including patriotic songs, expressing their love and devotion for the nation. Principal Mrs. Ruchi Gupta addressed the gathering with inspiring words, encouraging everyone to uphold constitutional values and act as responsible citizens.

The celebration instilled a deep sense of patriotism, unity, and national pride, reinforcing the school's commitment to nurturing devoted citizens of the future.

## Promoting Student Well-being: Health Camp at NRPS

A health check-up camp was organized at New Rainbow Public School in collaboration with Yashoda Medicity, Indirapuram and iCare Hospital, Noida.

The camp was conducted by a team of specialist doctors. During the program, eye check-ups were arranged for students from Nursery to Class 5, while dental check-ups were conducted for students from Classes 6 to 8.

In addition, specialist doctors also created awareness among students about common and seasonal diseases. This entire program was organized with the support of the Interact Club students of New Rainbow Public School, along with RAHM Foundation and Rotary Club. Expressing gratitude to all the specialist doctors and concluding the program, the school Principal, Mrs. Ruchi Gupta, stated that such initiatives help in making children aware about health and also encourage them to maintain cleanliness and hygiene.

# Art Integrated Class Presentations

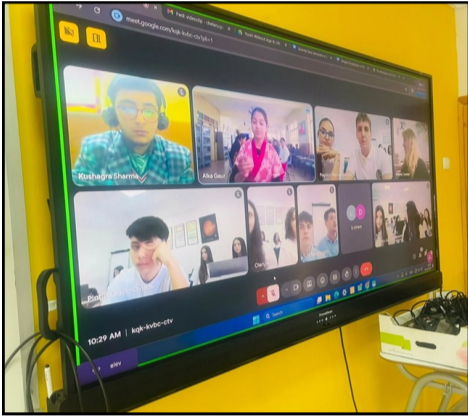

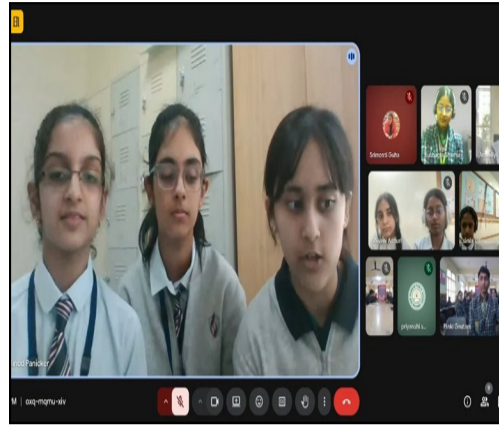

The students of New Rainbow Public School proudly showcased their immense talent, confidence, and creativity through a series of vibrant and engaging class presentations. The event served as a wonderful platform for young learners to express themselves and demonstrate their skills in front of an enthusiastic audience. From Grade I to V, students participated wholeheartedly in a wide range of performances, including dance, music, role plays, and skits. Each presentation was thoughtfully designed and beautifully executed, bringing a variety of themes to life. The performances covered an enriching blend of global legends, Indian mythology, fairy tales, folk tales, and meaningful moral fables, making the event both entertaining and educational.

The young performers displayed remarkable confidence, coordination, and stage presence. Their expressions, costumes, and storytelling abilities reflected not only their hard work but also their deep understanding of the themes they portrayed.

The seamless teamwork among students and the guidance provided by teachers were clearly visible in every act. The event truly highlighted the importance of experiential learning, creativity, and collaborative effort. It was a delightful and memorable experience for everyone present, leaving the audience impressed and inspired. Such initiatives play a vital role in nurturing talent and building confidence among students.

Kudos to the students and teachers for their dedication and for putting together such a meaningful and engaging presentation.

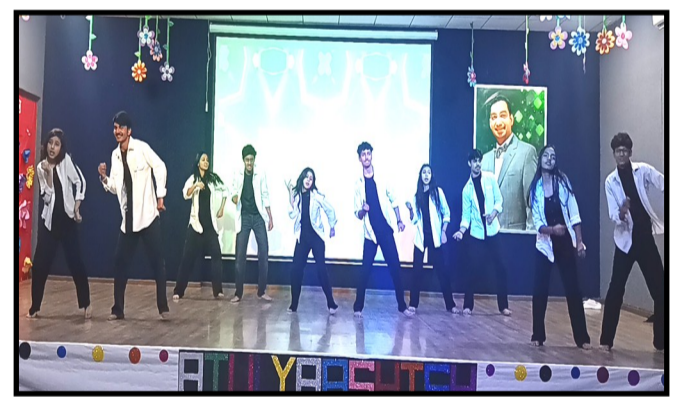

## Global Learning Exchange: Weather Watch & Folktale Journey

In the month of January & February, students participated in enriching international virtual interactions that blended scientific inquiry with cultural exploration, fostering global awareness and collaborative learning. As part of “Weather Watch”, students connected with GEMS Millennium School, Sharjah (UAE), to explore and compare climatic patterns of India and the UAE.

They discussed temperature, rainfall, humidity, seasonal changes, and the impact of geography, developing a deeper understanding of how climate influences lifestyle and sustainability. Students also engaged in the Global Folktale Exchange with Romania, sharing traditional stories and exploring folktales from India, China, Romania, and Japan. The session highlighted universal values and cultural diversity, showcasing how storytelling connects people across borders. These experiences enhanced scientific thinking, communication skills, and cultural appreciation, making the learning meaningful and memorable.

## Atulyashish- The Farewell

NRPS organised a memorable farewell ceremony, Atulyashish, for the Grade XII students on 4 February 2026. The day was filled with dance, music, fun-filled moments, and a joyful lunch, creating beautiful memories for everyone present.

A special highlight of the event was the announcement of Ms. NRPS Aishwarya and Mr. NRPS Om Kumar, which added charm and excitement to the celebration. They were felicitated by the Director Ma'am and Principal Ma'am. Students were also honoured with special awards such as Best Musician, Best Orator, Mr. Versatile, Best Anchor, and Best Crafter, celebrating their diverse talents and achievements. The ceremony concluded with an inspiring speech by the Principal, encouraging students to move forward with confidence and determination. NRPS wishes all its students great success, happiness, and a bright future ahead.

You will always remain a proud part of the NRPS family.

New Rainbow Public School takes immense pride in announcing that Nishesh Parida (Class VII) has been selected for the prestigious INSPIRE MANAK Award by the Department of Science and Technology. This remarkable achievement reflects Nishesh's innovative thinking, scientific curiosity, and dedication towards exploring new ideas. The INSPIRE (Innovation in Science Pursuit for Inspired Research) MANAK Award aims to encourage young minds to develop creativity and a scientific temper at an early age.

The school applauds Nishesh for this outstanding accomplishment and extends heartfelt congratulations to him and his family. We also appreciate the efforts of our teachers who continuously guide and inspire students to achieve excellence.

**NRPS at the National Science Centre, Delhi with Group Captain Shubhanshu Shukla**

NRPS proudly shares that Akshat Chauhan and Ankur Singh (Grade XI) attended an inspiring interaction at the National Science Centre, Delhi, with Group Captain Shubhanshu Shukla and Tibor Kapu of the Axiom-4 Mission. During the session, Ankur Singh asked what advice he would give to students who wish to contribute to space missions without becoming astronauts. Group Captain Shukla highlighted that space missions need scientists, engineers, researchers, analysts, and innovators, and encouraged students to build strong STEM foundations, curiosity, and problem-solving skills.
